PROFESSIONAL SUMMARY

Group Chief Financial Officer with 15+ years across Big Four assurance (Ernst & Young, Indonesia and Singapore) and sponsor-backed corporate finance leadership. Now leading IPO readiness for a Batam-based construction contractor targeting a listing on the Indonesia Stock Exchange, after a hospital group tenure that scaled the platform from 2 to 6 hospitals, IDR 50 billion to IDR 500 billion in assets and IDR 5-6 billion to over IDR 15 billion in monthly revenue, with bank facilities refinanced from IDR 68 billion to a committed IDR 300 billion. Core focus is converting owner-managed businesses into audit-ready, institutionally governed organisations with liquidity and covenant discipline that holds up under lender and regulator review.

PROFESSIONAL EXPERIENCE

CONSTRUCTION CONTRACTOR (CONFIDENTIAL, PRE-IPO), Batam, Indonesia | Jun 2026 - Present
One of the largest local contractors in Batam, preparing for an initial public offering on the IDX; name withheld under NDA

Chief Financial Officer

- Appointed to lead end-to-end IPO readiness.
- Run the underwriter mandate process, from RFP to evaluation of securities houses on valuation, commitment type, distribution and fees.
- Coordinate the IPO working group of underwriter, public accountant, legal counsel, KJPP, notary and BAE against one master timetable.
- Direct preparation of IDX-compliant audited financial statements, including construction contract revenue recognition under PSAK 115 (formerly PSAK 72), retention and unbilled receivable treatment, and related-party transaction disclosure.
- Build the corporate governance architecture required for listing: audit committee, internal audit unit, corporate secretary function, risk management policy and documented internal controls.

PT QUEEN LATIFA HUSADA JAYA (QL HOSPITAL GROUP), Yogyakarta, Indonesia | Jan 2024 - Sep 2026
Six-hospital platform across Yogyakarta and Central Java under private equity-linked ownership

Group Chief Financial Officer | Aug 2025 - Sep 2026

- Led buy-and-build expansion from 2 to 6 operating entities in under two years, taking monthly group revenue from IDR 5-6 billion to more than IDR 15 billion and total assets from IDR 50 billion to IDR 500 billion.
- Upsized group bank debt from IDR 100 billion to IDR 142 billion to fund the third hospital acquisition, then refinanced into a committed IDR 300 billion Bank Mandiri facility covering five hospitals, approximately IDR 160 billion drawn.
- Ran the equity fundraising process, bringing ACV Capital, Mandiri Capital and Sequoia Capital into due diligence; an approximately IDR 30 billion Mandiri Capital ticket was in negotiation with shareholders at departure.
- Built consolidation, governance, reporting and internal control frameworks across all six entities, cutting the consolidated close cycle to 5 working days, and directed a 30+ staff finance, accounting and tax organisation.

Finance and General Affairs Director, Yogyakarta Unit | Jan 2024 - Jul 2025

- Owned hospital-level P&L, cash flow, cost control and internal controls for the Yogyakarta unit.
- Originated the group's first bank facilities with BCA, IDR 48 billion for new hospital construction and IDR 20 billion in working capital, later refinanced under a BRI takeover at IDR 100 billion.
- Turned the unit from a net loss and 5% EBITDA margin at entry to more than 35% within 18 months through cost control, pricing and liquidity discipline.

PERSADA HOSPITAL (PT PERSADA MEDIKA RAYA), Malang, Indonesia | Jul 2020 - Dec 2023
Type B private hospital, Paripurna accreditation, backed by PT Persada Capital Investama

Vice President of Finance | Oct 2021 - Dec 2023

- Led the finance function as monthly revenue grew from IDR 12-14 billion to over IDR 30 billion, driven by BPJS scheme volume and COVID-19 service demand.

- Led the acquisition of land and its development into a haemodialysis centre, an IDR 80-100 billion investment, from feasibility study through capital approval.
- Rebuilt medical-fee reconciliation onto a collected-claims basis rather than fee-for-service, aligning physician payouts with cash actually received.
- Cut insurance and private receivables aged over 90 days from more than 30% of the balance to under 5%.

Head of Accounting | Jul 2020 - Sep 2021

- Managed statutory and management reporting, accounting controls and month-end close, and built out the accounting team.

ERNST & YOUNG (EY), Indonesia and Singapore | Oct 2015 - Oct 2020

Assurance practice, Big Four

Assistant Manager, Assurance

- Served on the audit teams for Singapore General Hospital, National Cancer Centre Singapore, KK Women's and Children's Hospital and National University Health System during an 18-month secondment in Singapore.
- Led audit engagements for manufacturing, banking and commercial clients in Indonesia, supervising teams of up to 5.
- Audited under IFRS, ISA, PSAK and PCAOB standards, reporting control weaknesses and remediation priorities to management.
